

2.7.1.7 ATTACHMENT F

**CERTIFICATION OF COMPLIANCE
WITH FTA'S BUS TESTING REQUIREMENTS**

(To be submitted with all bids.)

The undersigned certifies that the vehicles offered in this procurement comply and will, when delivered, comply with 49 U.S.C. § 5323(c) and FTA's implementing regulation at 49 CFR Part 665 according to one of the following three alternatives.

(Indicate with an "X" only one of the following statements.)

- * 1. The vehicles offered herewith have been tested in accordance with 49 CFR Part 665 on (date). The vehicles being sold should have the identical configuration and major components as the vehicle in the test report, which must be submitted with this Bid. If the configuration or components are not identical, the manufacturer shall provide with its Bid a description of the change and the manufacturer's basis for concluding that it is not a major change requiring additional testing.
- 2. The vehicles offered are a new model and will be tested and the results will be submitted to the Purchaser prior to acceptance of the first bus.
- 3. The manufacturer represents that the vehicles offered are "grandfathered" (has been used in mass transit service in the United States before October 1, 1988, and is currently being produced without a major change in configuration or components), and submits with this Bid the name and address of the recipient of such a vehicle and the details of that vehicle's configuration and major components.
- 4. The manufacturer represents that the vehicles offered are not required to be bus tested.

The undersigned understands that misrepresenting the testing status of a vehicle acquired with Federal financial assistance may subject the undersigned to civil penalties as outlined in the Department of Transportation's regulation on Program Fraud Civil Remedies, 49 CFR Part 31. In addition, the undersigned understands that FTA may suspend or debar a manufacturer under the procedures in 49 CFR Part 29.

BUS TEST CERTIFICATION

This is to certify that the bus model proposed for your procurement complies with the bus testing regulations required by the Surface Transportation and Uniform Relocation Assistance Act of 1987 as defined in the Interim Final Rulemaking (IFR) by the FTA in the Federal Register 49 CFR Part 665, dated July 28, 1992.

This statement means that the proposed vehicle complies with one or more of the clauses below, as required by the above IFR:

- was in mass transportation service prior to September 30, 1988, or
- is the same vehicle model that has been previously tested in PTI (Altoona), and that
- any new component(s) has (have) been tested at PTI (Altoona), or
- the installation of any new component(s) did not result in significant structural modification to the vehicle; or
- the installation of the component(s) did not result in a significant change in the data obtained from previous testing of the vehicle model.
